**SHIPPING:**

There are **3 methods of shipping**: UPS Ground, UPS 2 day air and Pick up at the Open House.

We use a **superb third party shipping fulfillment company**—Wineshipping. They are the largest, highest quality, most affordable shipper focused exclusively on direct wine shipping.

If ordering online, rates will auto-fill during the process. If ordering by fax, please indicate what method you would like below and we will calculate shipping.

All **Ground orders east of the Rockies** ship via Wineshipping’s **refrigerated trucks to 5 temperature controlled warehouses located in New York, Dallas, Florida, Chicago and Atlanta**. UPS Ground picks up from these warehouses and delivers to your door within 1 -2 days. **You will receive your tracking notice via email 1-2 days before the delivery**. The rates for this service are less than UPS Ground from California and much more sound for the wine. The only catch is we must determine at least one week in advance if we will ship your order across country to you in Wineshipping’s trucks. For this reason, we attempt to be as conservative as we can be about shipping temperatures and will not ship unless forecasted temperatures are between 35 and 73 degrees.
